Coronavirus Information

Dear Parents/Carers

School is currently following the advice issued to it from the DFE with regards to the coronavirus.

Staff and pupils are being encouraged to be more vigilant with personal hygiene (particularly handwashing) to minimise the impact of any viral infections.

At present the UK is still considered to be a low risk country and school will remain open unless Government advice changes.

If you have travelled recently to China, Hong Kong, Japan, Macau, Malaysia, Republic of Korea, Singapore, Taiwan, Thailand or Northern Italy in the last 14 days and are showing cold or flu-like symptoms. OR 2. Have been in close contact with someone who has contracted the virus and have begun to show cold or flu-like symptoms yourselves then you should stay at home.

Please ensure the following:

1. Wash hands often, with soap and water, or use alcohol sanitiser if handwashing facilities are not available.

This is particularly important:

- before leaving home
- after using the toilet
- before preparing any food
- before eating any food, including snacks

2. Cover cough or sneeze with a tissue, then throw the tissue in a bin.

See [Catch it, Bin it, Kill it](#)

Kind Regards

Jo Jelves
