## Coronavirus Further Update

Dear Parents/Carers,

Following the move to Stage 3 (Delay) by the government yesterday, school has today put in further measures to ensure that we minimise the spread of the virus across our school.

Our Coronavirus Stage 3 Action Plan can be viewed in full on the school website on the Coronavirus Page under the Parent Tab.

In creating this action plan we have tried to minimise the number and length of situations where children are in close proximity to one another, minimise the number of people in any one place at any one time and minimise non-essential visitors to site.

I am sure that some of these measures are unnecessary, however we would prefer to be as stringent as we can in ensuring the safety of both staff and children.

As a result of this action plan the following decisions have been made:

- The Family Assembly planned for next Thursday for children in EYFS will no longer go ahead;
- Any Class Assemblies or outcome events which you may have received an invitation to, will be postponed until further notice.
- The Spring Term Parent's Evening scheduled for 1<sup>st</sup> April 2020 will be postponed to the Summer Term.
- Exclusion periods for children with a temperature greater than 37.8 and/or a NEW continuous cough will be increased to 7 days.
- Children in Sunny Days, Sunbeams and Rainbow Tots will be taken from their parents at the door rather than parents accompanying their child into the setting for the immediate future. This is to minimise the number of people entering the school site.

We ask that parents bear with us during this very uncertain time. We will continually keep you updated as changes become known to ourselves.

Kind Regards

Jo Jelves

Headteacher
