Dear Parents

As part of their PE curriculum, children in Year 4 usually swim for 30 minutes on a weekly basis. We have now have had confirmation that school swimming can resume with certain restrictions in place.

- There is a limit of 30 pupils in the pool at any one time. This means that only one class will be able to swim each week for the autumn term at least.
- The communal changing rooms remain closed, children will only be able to use the individual changing rooms.
- Due to transport restrictions; we will be walking the children to Burntwood Leisure Centre.

Swimming will take place on a **Monday**. Children will come to school wearing their **school uniform** and will bring their swimming kit with them.

We will leave school at 1.45pm to arrive at the pool for 2.15pm; changed and into the pool for 2.30pm. Children will exit the pool at 3pm; changed and be ready for collection at 3.15pm.

We are asking parents to collect their children from Burntwood Leisure Centre.
