

World Citizens

Our curriculum enables our children to develop an understanding about their local community where they live and the wider world, by providing opportunities for learning within and beyond the classroom.

Polite & Respectful

We expect excellent manners and mutual respect from all in order to experience positive relationships where children understand how actions and decisions impact on others and the world around them.

Understanding & Tolerant

Links to other schools, local businesses, heritage and cultural organisations, voluntary groups and other faith communities are developed. Children are aware of world events and have a growing general knowledge.

Through learning about the world, our children to develop a sense of pride themselves and respect for others

Globally Aware

Pupils are encouraged to share their views and opinions within all areas of school life, knowing that their voice matters; recognising the importance of using their skills knowledge and beliefs to impact positively on the wider community.
